The listed documents are being cited because they were cited in an International Search Report issued on June 14, 2002 in a counterpart international patent application. For the convenience of the Examiner, a copy of the International Search Report is enclosed. The references listed in the International Search Report that are not listed hereinabove have been omitted from this Supplemental Information Disclosure Statement because they are already of record in the above-identified patent application.

An early and favorable action is respectfully requested.

Respectfully submitted,
